This exploded view diagram illustrates the assembly of a mechanical component, likely a hinge or bracket. The diagram is divided into three main sections, each showing a different sub-assembly being aligned with a central plate (97).

- Top Section:** Shows the assembly of a bracket (3) onto a plate (97). Components include a spring (1), a pin (2), a roller (3), and various screws (2, #2). A separate sub-assembly (6, 14, #2) is also shown being aligned with the plate.
- Middle Section:** Shows two triangular plates (11) being aligned with the central plate (97). A legend indicates that 98 corresponds to #1 and 99 corresponds to #2.
- Bottom Section:** Shows the assembly of a larger bracket (21) onto the plate (96). Components include a pin (20), a roller (21), a spring (22), and a pin (23). A separate sub-assembly (20, #1) is also shown being aligned with the plate.

The diagram uses numbered callouts (1, 2, 3, 6, 11, 14, 20, 21, 22, 23, 96, 97, 98, 99) and part numbers (#1, #2) to identify individual components and their assembly points.
