## UNBOUND 2-IN-1 THERMO JACKET

The KTM UNBOUND 2-IN-1 THERMO JACKET is a lightweight, breathable jacket with PrimaLoft® Silver insulation, which keeps you warm and protects you from the elements without being bulky. Versatility is the word which describes the jacket best: thanks to the innovative YKK QuickBurst® zippers you can remove the sleeves and transform the jacket into a vest in seconds. This means you can adapt to changing temperatures without having to remove a layer. The jacket is your perfect companion for all adventures.
